Bullying / Harassment

The bottom line is if you behave in such a way that makes another person feel afraid to come to school you may be guilty of being a bully.

Even if you are just joking around!

Pretend is Real

The bully doesn't get to decide whether or not someone is a victim. The **person being bullied** gets to decide.

Stop what you are doing

Walk to a safe person

Talk about what happened

If someone is going to get in trouble it's tattling, if someone is going to get hurt it's telling. If you're not sure, tell an adult and he/she will decide.
